

# the complete visitor solution

Login your visitors and staff – your premises are secured.

Collaboration Innovation

## secure and safe entry management

Capita SIMS integration – students automatically register with a simple sign in solution, no need for a manned reception.

Safeguarding (DBS Checking) – ensure that your school environment is safe and secure, know who is on site at any time, photo capture and label printing, easily recognisable to staff and students alike.

Customisable interface – add your school logo etc. tailor your Registrar to your schools identity.

Information alerts – create awareness throughout the school premises.

Evacuation – quickly evacuate school premises and with the aid of the Registrar Mobile Web App, registration can be safely taken clear of the building.

### ALL IN ONE SOLUTION

The Genie Registrar bundle features a 21.5" touchscreen with a high resolution webcam, thermal label printer, 8gb Back-Up, and wall or desk mount option.

### SOLUTION CUSTOMISATION

Customise your Registrar by adding an NFC card/tag reader or Paxton Net2 Entry Reader for a single card entry solution.

### FEATURES

- Email Alerts
- Capita SIMS Integration
- DBS Secure Sign-In
- Mobile Web App

### EVACUATION TOOLS

Determine who is inside the building at the click of a button using the Registrar Mobile Web App. Safely view reports on your mobile device with evacuation mode to ensure safe and informed building clearance.

Discover more about Genie's range of visualisers, interactive touchscreens, audience response systems and software.

# product specification

<b>ALL-IN-ONE 21" PC AND TOUCH SCREEN</b>	
Product Code	REG-1
Screen Type	21.5" Widescreen Touchscreen
Touch Technology	PCAP
Resolution	1920 x 1080 (Native)
Touch Points	10 Point Touch
Sound	Built-in Speakers
<b>INTEGRATED PC</b>	
Processor	Intel core i5-337U 1.80Ghz Dual Core With HT
Memory	2GD DDR3 1333Mhz
Hard Drive	320GB
Graphics	Intel HD4000
Audio	Intel HDAudio
Operating System	Windows 10
Instruction Set	64-Bit
WiFi	Dual Antenna
LAN	RJ45
<b>DESKTOP LABEL PRINTER</b>	
Type	Thermal Label Printer
Connectivity	USB
Power	Mains
Label Compatibility	DK 62mm Continuous Roll
<b>BARCODE SCANNER</b>	
Type	Fixed Mount Barcode Reader
Connectivity	USB
Power	USB Powered
Read Rate	320 reads/second
Support	Support all common linear (1D) bar codes, with integrated good-read beeper and features both automatic,sensing and also manual trigger options available
<b>CAMERA</b>	
Type	USB Free-standing Adjustable Camera
Neck	Flexible With Full 360° Rotation For Easy Adjustment
Connectivity	USB
Resolution	1280 x 720 (720p) HD
